WHAT'S NEW AT RIVERSTONE?

Exciting News at Big Adventure Park

We're thrilled to share some important updates that are sure to enhance your experience with us.

First, Big Adventure Park is temporarily closing for an upgrade—the replacement of the pour-in-place surface. The playground area is currently fenced off and will remain inaccessible until the replacement is complete.

We regret to announce that the sculpted tree will be removed due to severe decay, posing a safety hazard. Originally a native Pecan tree, it has unfortunately succumbed to natural deterioration over the years. While it was beautifully sculpted into a statue of children and wildlife to enhance the park's atmosphere, the safety of our residents is our top priority. As much as we cherish its artistic value, we must proceed with its removal to keep the area secure for everyone.

Looking ahead, we are excited to share plans to continue enriching the beauty of Riverstone. To honor the legacy of the sculpted tree, we will host an Earth Day event in the near future, during which we will plant new trees in this area. This initiative will help restore the natural landscape and ensure the longevity and vibrancy of our beloved community park.

For alternative playground options, please visit the Riverstone app to explore nearby locations.

We appreciate your understanding and support as we navigate these necessary changes. Please stay tuned for more details about the Earth Day event and other upcoming community initiatives. Together, we will enhance Riverstone's charm and maintain a safe, beautiful environment for all.

Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

Tennis Court Reminders

- Please remember all tennis court reservations are now available through the Riverstone app only.
- Remember that court reservations will be forfeited after 15 minutes of not showing up for scheduled start time.
- Tennis courts are for the use of tennis or pickleball play only. Any other sports or equipment are strictly prohibited. For more information refer to rule #4 at the Resource Center under Community Info.
