## Hurricane Beryl Recovery Updates

*In the aftermath of a devastating hurricane, communities are faced with the immense challenge of recovery and rebuilding. The impact of such natural disasters is often profound, causing widespread damage to infrastructure, homes, and livelihoods. Your Riverstone HOA Team has been working tirelessly to assess the damage to common areas and provide assistance to those affected by Hurricane Beryl. We have collaborated with local contractors to ensure a coordinated and effective response. Below is a highlight of some of the most common questions the Association has received regarding hurricane recovery efforts.*

### Debris Removal

Fort Bend County has activated its Debris Removal Contract. For information on the proper way to place debris for removal, please view the Separating Storm Debris flyer located at [FortBendCountyTX.Gov](http://FortBendCountyTX.Gov).

Fort Bend County Debris Call Center is currently active.

Call Center hours of operation are 8am-8 pm CST (Monday-Friday).

Please be aware that the call center has a callback queue and voice-mail for after-hours contact.

Name: TDR Texas

Direct Number: +1 608 492 0522

Toll Free Number: 833 307 9937

For more information on debris removal please visit [FortBendCountyTX.gov](http://FortBendCountyTX.gov)

### BERYL ISTAT TDEM Survey

Immediate action is needed to report storm damage. Fort Bend County qualifies to receive recovery and disaster assistance based on the amount of damage assessed. It is imperative that residents who experienced storm damage, report that damage.

Please use the following link to complete the damage survey with the Texas Department of Emergency Management.

[https://survey123.arcgis.com/share/344d59d323fd47b3bab8e8cd60b64585?field:incident\\_id=24-0016%2007JUL%20Tropical%20Weather](https://survey123.arcgis.com/share/344d59d323fd47b3bab8e8cd60b64585?field:incident_id=24-0016%2007JUL%20Tropical%20Weather)

### Fencing

**HOA Common Areas Fences:** If you have experienced a broken brick wall or noticed a damaged common area fence, please report it to the Operations Department, [operations@riverstone.com](mailto:operations@riverstone.com)

**Resident Fencing:** Shared fences on the property line between residential lots are the responsibility of both homeowners to maintain and repair as needed.

### Street Signs

Should you notice a missing street sign or a street sign on the ground, you can report it to the HOA or report it directly to Ft Bend County. All gated sections would need to report street signs to the

HOA Operations department by using the LUKE app or by emailing [Operations@riverstone.com](mailto:Operations@riverstone.com)

### Fallen Trees or Damages in Common Areas

**Resident yards**—Residents may remove any tree that has fallen or is in immediate danger of falling over without ARC approval. Replacement of the tree(s) may be required. Please contact compliance for more information and application on tree replacement at [compliance@riverstone.com](mailto:compliance@riverstone.com)

**Common Areas**—Please report all damages to the Operations Department, [operations@riverstone.com](mailto:operations@riverstone.com)

### Mosquitos

The Riverstone MUDs handle the mosquito contract for Riverstone. You can find the information regarding your district at the following link <https://www.riverstonemuds.org/>

Of course, with the rain, standing water, organic debris, etc., fogging can only do so much. The Districts are fogging as frequently as allowed by law. Fogging occurs when it is safe to do so, in the late evening and early morning (likely around 2 a.m.).

### Compliance Policy Updates

In response to the recent weather event, The HOA Board of Directors approved several new policies regarding community compliance. Policies such as the Stand-Alone Generator Policy, where regulations were updated to comply with the current Texas state law for residential stand-by home generators.

*Additionally approved policy updates include:*

**Deed Restriction Enforce and Fine Policy**—This policy was updated to current standards with Texas state law regarding the hearing process for violations of the deed restrictions.

**Display of Religious Items**—Updates to this policy were to comply with current Texas state law regarding the display of religious items.

**Stand-by Generators Policy**—**Security Measures Policy**—Updates were made to this policy to comply with the state of Texas's requirements for residents who request adding security measures to their property.

**Swimming Pool Enclosure Policy**—This policy was updated to comply with the state of Texas's requirements for residents who request adding enclosures around their swimming pools.

*We appreciate your patience and understanding as we work to restore Riverstone to its former beauty.*

## Sheriffs Corner

### Fort Bend County Sheriff's Office Urges Vigilance Amidst Rise in Auto-Pedestrian Incidents

*The Fort Bend County Sheriff's Office urges both drivers and pedestrians to exercise caution in response to an increase in auto-pedestrian incidents.*

In Fort Bend County, Texas crash records for 2023 indicate the number of accidents involving motor vehicles and pedestrians has more than doubled, increasing from 14 incidents in August to 27 in September. This is a significant fourfold increase compared to the 6 incidents reported in July.

Similarly, crashes involving motor vehicles and pedalcyclists have seen an uptick. In July, two such incidents were reported, while September saw a surge to 12. In August, three auto-pedalcyclist crashes were reported in Fort Bend County.

In response to the increase, the Fort Bend County Sheriff's Office urges all road users to play their part in reducing these incidents on Texas roadways. Drivers are especially urged to exercise heightened vigilance in areas that witness heavy foot traffic from children. The following guidelines are provided for the safety of both drivers and pedestrians.

#### **For Drivers**

**Exercise Caution:** Reduce your speed, maintain vigilant awareness, and prepare to come to a complete stop when approaching a crosswalk.

**Stay Alert:** Pay close attention to your surroundings, adhere to all traffic signs and signals, and actively avoid distractions while driving.

**Yield to Pedestrians:** Always prioritize the safety of pedestrians in crosswalks by yielding the right-of-way and refrain from passing a vehicle stopped at a crosswalk.

**Know the Law:** Texas drivers should also be aware of the Lisa Torry Smith Act, which amended section 544.007 of the Texas Transportation Code. It requires drivers to stop and yield the right of way to pedestrians or cyclists lawfully in the intersection or an adjacent crosswalk. An offense under the Lisa Torry Smith Act is a Class A misdemeanor, except in the case that the pedestrian or cyclist suffers serious bodily injury. In that event the offense is a state jail felony.

#### **For Pedestrians**

**Stop and Look:** Before entering a crosswalk, pause and carefully scan for approaching vehicles. Make sure it's safe to cross.

**Stay Alert:** When walking put away electronics that take your eyes and ears off the road.

**Assist Children:** If you have younger children with you, guide them safely through the crosswalks, ensuring they understand the importance of looking out for vehicles.

*"Stay vigilant, stay safe," said Sheriff Eric Fagan. "By following these guidelines, both drivers and pedestrians can contribute to safer crosswalk experiences for everyone."*

## Pool Hours Change This Month

*As Riverstone's youth go back to school, the regular pool season winds down. Beginning Monday, August 5th, all community pools begin operation on modified hours. Riverstone Waterpark will be closed during the work week and will be open for week-*

*end hours through Sunday, September 15th. The Waterpark will be open on Monday, September 2nd (Labor Day). Creekstone Village and Riverstone Boulevard Recreation Center pools will close for the 2024 swim season at this time.*

## Business Spotlight

*Where can Riverstone residents find old-fashioned eye care coupled with modern technology? Advanced Family Eye Care.*

Dr. William Richey opened the practice in 2004 in a small retail center located between Highway 6 and Glenn Lakes. After a few years, he expanded the practice to an adjacent larger space. In 2016, Advanced Family Eye Care took up residence at its current location in The Offices of Riverstone.

“Our practice continues to grow thanks to the wonderful support of those who entrust their eye care to us, and we are forever grateful to them,” Dr. Richey said. “We continue to stay up-to-date with new, modern technology to give our patients the best services.”

Dr. Richey graduated from the University of Missouri-St. Louis School of Optometry in 1993. Upon graduation, he entered active duty in the United States Air Force, where he practiced as a staff optometrist and Chief of Optometry at Dyess Hospital in Abilene, Texas. Upon separating from the Air Force in 1996, Richey worked in both private and commercial practices before opening his own.

“I decided to open up my own practice so that I could provide the products and services I feel are the most beneficial to our patient population and not be limited to those of the corporate entities,” he said.

The practice offers vision and eye health examinations as well as medical examinations for the treatment of all types of vision and eye health conditions such as glaucoma, macular degeneration, dry eyes and diabetic eye disease. Advanced Family Eye Care also offers myopia control services for youth who are at risk of nearsightedness and provides optical services that include eyeglasses and contact lenses.

According to Dr. Richey, while regular eye health and vision exams are important, there are other things people can do to help maintain clear vision throughout their entire lifetime.

“Good nutrition is important for the overall health of the eyes and our visual system,” he said. “Reducing eye strain from electronic devices, reducing UV exposure, not smoking and keeping the eyes sufficiently lubricated all help ensure a lifetime of clear vision.”

People should also be sure to see an optometrist if they are or suspect they are diabetic.

“Diabetes is one of the leading causes of blindness in the U.S.,” Dr. Richey said. “Like most chronic health conditions, early detection and treatment of any complications is crucial in maintaining clear vision. With the eyes, it’s all about maintaining clear vision throughout our lifetimes. Diabetic eye disease typically starts very mild and

progresses to severe if not treated very quickly. So, it’s important to have your eyes checked yearly.”

Dr. Richey’s goal is to help people maintain the health of their eyes in an atmosphere that is warm and inviting.

“What sets us apart from other practices is our personal attention to detail and making a ‘connection’ with each of our patients,” Richey said. “When people walk into our office, they feel like they are working with family.”

## IT'S HOT, STAY HYDRATED!

Summer is here, and Houston's heat and humidity are in full swing. Staying hydrated is important to our physical and mental health.

### Drink Hydrating Beverages

- **Water:** Constantly sip on water throughout the day to keep from getting dehydrated. Feeling thirsty is a sign of dehydration, so don't wait for that moment; keep water nearby and keep sipping.
- **Iced tea:** Try caffeine-free or herbal teas for maximum hydrating benefits.
- **Coconut water:** Choose coconut water over soda or fruit juice, which has fewer calories and added sugars.
- **Electrolyte-rich beverages:** Drink beverages containing electrolytes, like sports drinks or coconut water.

### Eat Hydrating Foods

- **Water-rich fruits and vegetables:** Try watermelon, strawberries, grapefruit, peaches, and cantaloupe, all of which have high water content.
- **Electrolyte-rich foods:** Include foods rich in electrolytes like bananas, avocados, and nuts to help regulate fluid balance.
- **Salty snacks:** Pairing salty snacks or drinks with other fluids helps increase hydration.

### Before & After Your Time in the Sun

- **Pre-hydrate:** Drink fluids 24 hours before going outside for an extended period to prevent dehydration.
- **Replenish fluids:** After spending the day in the sun, focus on replenishing fluids for another 24 hours.
- **Check your body:** Pay attention to signs of dehydration, such as headaches, fatigue, and dizziness, and take action to rehydrate.

**By following these tips, you'll be well on your way to staying hydrated and enjoying the summer season!**

## Tennis Court Etiquette

- Talk quietly when standing near tennis courts that are in use so as not to disrupt players on adjacent courts.
- Never walk behind a court when a point is still in play. Wait until the point is over and then cross as fast as possible to get to your own court.
- When sending balls back to a neighboring court, roll them on to the back of the court.
- Never send them back while play is in progress. Also, if one of your balls rolls into an adjacent court, don't run after it, just wait for your neighboring court to return the ball when it's convenient.
- When reserving courts please be considerate to other residents by cancelling your reservation when you know that you will not be using it.

## Tennis Court Reminders

- Court #6 at The Club at Riverstone and court #9 at Riverstone Blvd are designated as walk on courts. They are available for walk-on play during tennis court hours. Please be mindful when using the courts for walk-on play and limit your time to a maximum of 2 hours.
- Please remember all tennis court reservations are now available through the Riverstone app only.
- Remember that court reservations will be forfeited after 15 minutes of not showing up for scheduled start time.
- Tennis courts are for the use of tennis or pickleball play only. Any other sports or equipment are strictly prohibited. For more information refer to rule #4 at the Resource Center under Community Info.
- Parking for use of Tennis Courts 9 & 10 is at the Riverstone Blvd Recreation Center. Please refrain from parking within the Parkside neighborhood.

## Unauthorized Tennis Lessons

There has been tennis lessons at Riverstone by unauthorized tennis pros. Please keep in mind that HOA rules prohibits the teaching of tennis lessons by unauthorized persons.

# BLAST FROM THE PAST

**The Red, White & Boom!** event was a spectacular celebration of community and patriotism! Held on Saturday, June 29th, attendees enjoyed a vibrant day filled with amusement and festive activities. Highlights included live music from The Spazmatics, delicious local eats, and fun games for all ages. The event culminated in a breathtaking fireworks display that lit up the night sky, leaving the crowd in awe. Thank you to all who joined us in making this celebration unforgettable. We look forward to seeing you next year.

Thank you once again to our sponsors: Astound, Code Ninjas, CycleBar Sugar Land, Master Lee's World Champion Taekwondo, Rapid Care Emergency Room, Stentree of Riverstone, The Rooted Parlor
